This report describes the influence of planets on your character and life. You may find repetitions or contradictions in the report which only show the interactive nature of various planets on your life.

Wealth, land and properties

Land and properties, wealth, family, speech, food and skills are some of the important topics highlighted by the second house in a horoscope.

As the 2nd lord is in the 10th house you will be scrupulous and educated. You will have a variety of interests. You have an earthy physicality. You enjoy sex and believe in the joy of physical love. You may have difficulty or delay in having children. You will participate in a variety of activities. You will financially benefit from a career in business, agriculture or philosophy.

Since the Moon occupies the 2nd house, you will be wealthy, principled, and romantic. You enjoy all things about the human condition. You are a delightful conversationalist and you are pleasant to deal with.

Since Mars aspects the second lord, you can make a name in fields connected with law and justice.

It is observed that the Lagna lord is positioned in a Kendra rasi and aspects the second house. Indications are that you will have the fortune to earn wealth through your own endeavour.

Since the second lord is aspected by the fourth lord, there are chances of your gaining wealth through maternal connections.

Property, Education etc.

The fourth house of your horoscope refers to property, education, mother, vehicles, and general happiness.

In your horoscope the lord of the 4th house is occupying the 1st, so it is possible that the girl you marry will be someone you've known for a long time. You will be an educated man. However, you may lack communication skills and therefore you may find it difficult to express yourself in public. You will do well to learn public speaking. You have to be extremely careful about your finances if you wish to retain the property that you have inherited.

As Saturn is the lord of the 4th house, even as a child, you will demonstrate your leadership capabilities. Friends and classmates will readily accept you as their leader. You may assume a position of group leadership. When you grow up, you will have the ability to govern, and may be a responsible administrator.

Apart from the above, you should be happy to note that there is a beneficial influence of Jupiter on the fourth house and this reduces any bad effects predicted otherwise.

Fortune, Prosperity, Inheritance etc.

In your horoscope, the lord of the 9th house is occupying the 2nd, so you will be the son of a rich or influential man. You will never want for material goods as a child.

It is significant that there is a beneficial influence of Jupiter on the 9th lord, and this reduces any other bad effects.

Income

The eleventh house mainly gives indications regarding income and sources of income.

As the 11th lord is in the 6th, you will gain money through maternal relatives, law suits, and running nursing homes. There may be problems connected with learning. You will find happiness far away from your place of birth. It will probably be better for you to work for a good company rather than independently. Occasional financial reversals should not cause you undue worry.

Gem Recommendation

Gems are wonderful creations of nature. Crystals have many special properties and find applications in scientific areas including electronics. Crystal oscillators, diodes, piezo-electric crystals etc. are examples. Gem stones are found in natural form in many shapes and colours. They differ in physical and chemical properties from one another. The stones are cut and polished to give the required beauty and shine.

From ancient times scholars have associated gems with planets, based on the colour and the effect that is produced by wearing the same. Not only the Indians but Chinese and Egyptians believed in the mystical and therapeutic qualities of gem stones.

The science of gems and astrology is now brought closer to the common man as a result of the research work done by Astro-Vision.
