This report describes the influence of planets on your character and life. You may find repetitions or contradictions in the report which only show the interactive nature of various planets on your life.

### Wealth, land and properties

Land and properties, wealth, family, speech, food and skills are some of the important topics highlighted by the second house in a horoscope.

As the 2nd lord is in the 9th, you will become prosperous, industrious and competent during the latter part of your career. But there may be considerable physical suffering during the early part of your life. This leads you to secretly resent the loss of childhood innocence and pleasures. In later years, only through establishing unquestioned command over others, can you retain the necessary image of superiority and self-respect. You may finally recognize the value of religion and tradition. You will be accepted by your society. You will probably have some kind of inheritance. You will achieve your position through a combination of factors.

Since the second lord is aspected by the seventh lord, there are chances of your gaining wealth supported by your life partner.

### Property, Education etc.

The fourth house of your horoscope refers to property, education, mother, vehicles, and general happiness.

In your horoscope, the lord of 4th house is occupying the 10th. Even as a boy, you will be interested in chemicals and

related matters. You will succeed in what you set out to do. As an adult, your personality will be felt by all around you. You will be successful if you enter politics. However, you have to safeguard your reputation if you do decide to enter the political arena.

As Mars is the lord of the 4th house, you will have a martial spirit and take this mentality into any activity with which you become involved. However, you will also possess a lot of practical wisdom. Your warrior like sense of commitment will be highly appreciated. Your orientation is practical rather than theoretical.

Since Jupiter is seen occupying the fourth, you will be educated and philosophical. You will enjoy the patronage and concern of those in power. You are respected, fortunate and spiritually-inclined.

It is seen that the fourth house is hemmed in between malefic planets. Therefore the good effects given by other planetary combinations or positions will not be fully experienced. Delays and difficulties in owning a house, in education, etc., are to be expected.

Apart from the above, you should be happy to note that there is a beneficial influence of Jupiter on the fourth lord and this reduces any bad effects predicted otherwise.

### **Fortune, Prosperity, Inheritance etc.**

You will ultimately become successful in your career and occupy positions of authority. You will be a law-abiding citizen and will choose the most honorable course of action at all times.

Since Mercury is occupying your ninth, you will be lucky in education.

### **Income**

The eleventh house mainly gives indications regarding income and sources of income.

As the 11th lord is in the 9th, you will be lucky in your under- takings and may inherit a paternal fortune. You will be successful. You will have many houses, vehicles, and other luxuries. You will lean toward spirituality and you may disseminate religious teachings or literature. You will be involved in helping to set up charitable institutions. You will be honored by those in authority, because of your competence and trustworthiness.

### **Gem Recommendation**

Gems are wonderful creations of nature. Crystals have many special properties and find applications in scientific areas including electronics. Crystal oscillators, diodes, piezo-electric crystals etc. are examples. Gem stones are found in natural form in many shapes and colours. They differ in physical and chemical properties from one another. The stones are cut and polished to give the required beauty and shine.

From ancient times scholars have associated gems with planets, based on the colour and the effect that is produced by wearing the same. Not only the Indians but Chinese and Egyptians believed in the mystical and therapeutic qualities of gem stones.

The science of gems and astrology is now brought closer to the common man as a result of the research work done by Astro-Vision.
