The sun transits one circle of 360 degrees of the zodiac in a whole year. To analyse the results for a specific year of your life, a horoscope is cast for the time when the Sun in transit reaches exactly where it was at the time of your birth. This horoscope is used to predict events and foretell your life for that particular year. The annual or progressed horoscope is similar to that of the Siderial Solar Return chart in Western Astrology.

Varshaphal is also known as the Tajaka or Tajik system of astrology. Of the many writers, Nilakanta and Kesava are the two great authors who have written elaborately on the Tajik system.

The annual horoscope analysis and predictions given here are based on the principles of the Tajik system. The point called Varshapravesh, is the entry into the new year and has great significance. This is calculated as per the elaborate methods suggested in the ancient texts. The day of the week of your birth, is also considered for Varshapravesh. Apart from the ascendant in the annual chart, called Varsha Lagna other important influences analysed are that of the Muntha, the Lord of Muntha and the Lord of the year.

There are wide differences in rules, for judging a horoscope under the Parasara system and the Varshaphal. The set of rules for aspects and combinations in the two systems are distinct. The strength of the planets are ascertained by Panchavargiya Bala rather than Shadbala, as in the Parasara system.

In the foregoing analysis, you can see that the effects of various factors are sometimes contradictory and at times reinforcing. While some unfavourable influences are neutralised by favourable factors, often you will experience all these at least partially at sometime during the year. An overall judgement of the year ahead is given at the end of each annual forecast.

Please remember that the Varshaphal period covers an entire year from the day of Varshapravesh, which is approximately from one birthday to another.

The predictions given here are indications of the fortunes ahead and you can surely surmount any hard times, by your diligence, will-power and the grace of God.

Effect of Muntha

Muntha is a sensitive point in the annual horoscope. Muntha moves by one rasi per year from the birth ascendant. The position of Muntha in the annual chart has a significant effect on the results one can expect during the year.

Muntha is in the sixth house. This is an unfavourable position. You may have to encounter certain health problems. It could be body pains or general weakness. Besides, the health of a close friend or relative may worry you. You may have to visit doctors and hospitals more frequently, this year. Your rivals could triumph over you be it at work or otherwise. Be careful not to lose any of your cash, keys or other valuables. Your competitors may be luckier than you. However hard work, care and prayer will aid you through this year.

Lord of Muntha

The lord of the house where Muntha is placed is called Munthesh, the Lord of Muntha. The effect of Munthesh is only secondary to that of Muntha.

In this case, while Muntha is placed unfavourably, the Lord of Muntha is in a good position. This minimises some of the bad effects given by Muntha. Also, there will be progress in some areas during the year.

Munthesh is in the fifth house. This year you could have moments of success at your work or otherwise. Career prospects are brighter for you. You will excel at new ventures. Your wife will ensure all your comforts and keep you happy. Children in your family will bring you great joy.

Lord of the year

Varsheswara, the lord of the year is selected based on various factors as shown above. The lord of the year has a significant influence on the events that unfold during the year. The strength of the planet is also an important consideration.

Mars is the lord of the year and is strong. This coming year you will have moments of success in whatever you earnestly take up. You will be a popular man among your family and friends. There could be an increase to your wealth or some possession of yours. You will overcome your enemies and even turn them into friends. If you are in defence services, then you can expect military honours to come to you. This year will generally be a happy one for you, judging by the strength of the lord of the year.

Birth Lagna

The position of birth lagna in relation to varsha lagna has special significance.

Birth lagna is the annual sixth house. During this year, you could undergo moments of mental tension due to those you consider your rivals. You could have problems in money matters. Quarrels and disputes in the family are likely to take place. So do take care and try to face calmly any loss in your position.
